

Instructions for e-poster and printed poster presentations and the moderators of Poster Sessions

Dear participants of the 14th Congress of Nutrition, you have sent e-poster or regular (printed) poster presentations to the congress.

All received poster presentations will be available in e-form for browsing and inspection at the congress website conu2021 during 3 congress days. They are also presented in the e-Book of Abstracts publication that will be available from Monday 8th November on the congress website.

Authors of sent e-posters have no further obligations during the congress.

Regular (printed) posters are divided in 2 days for poster exhibition in Hotel Mona. Authors of these posters are expected to put on their posters on the assigned day in the morning and to remove the posters at the end of program. The authors will have material to position their printed posters on poster boards available next to poster boards.

Moderators of both Poster Sessions will inspect all e-forms of poster presentations from their sessions and choose 3 best poster presentations that will be awarded at the Closing ceremony. E-posters and regular /printed posters are both equal in this competition.
